

KIMIA GHAFURIAN

WEB DESIGNER AND DEVELOPER

ABOUT ME

I am a professional web designer and developer specializing in WordPress-based solutions. With extensive experience in creating responsive, user-centric websites and custom functionalities, I combine creativity and technical expertise to deliver high-quality projects. My portfolio includes multilingual platforms, custom UI/UX designs, advanced e-commerce systems, and innovative business tools tailored to client needs. Passionate about innovation and efficiency, I strive to exceed expectations by staying ahead of the latest web development trends.
